In-Service Educational Presentations Available For Your Group

We regularly make educational presentations to professional, community, and church groups. We offer our presentations a **no charge** to you. We are honored to share some of what we have learned from helping people. We can tailor the presentation to your time frame. Whether you want a 15 to 30 minute presentation...or an hour or more of training... let us know how we can serve your group.

PRESENTATION TOPICS

Abuse, Neglect and Exploitation

Advanced Directives: Living Wills, MPOA, End of Life Issues, OOHDNR, and Understanding Medical Treatment
